Apart from the interest and fun that is generated by joining a friendly and informal club, there are also additional benefits that become available to you. The KVWK is an active member of The Association of VW Owners Clubs of Great Britain. This is an umbrella group for over 30 of the main clubs in the UK and is therefore able to pass on to members the additional network and benefits.

So you ask, what are the benefits and information that you get for your annual membership fee of just **£6** ? Well here are just a few ...

Monthly Newsletter – by email ONLY

The KVWK prides itself on its interesting and informative newsletter. This contains the monthly news round up, information on events and an assortment of member's contributions, ie., Tech Talk & Reader's Rides. It is a forum for all our members to say whatever they wish or just to advertise vehicles or parts for sale.

KVWK Blog & Forum

On-line access to members and articles on the latest news & events. You can also publish your own articles, with pictures & weblinks and chat with other members.

Discounts on Parts

Most good parts suppliers will give 5-10% discount to club members on production of your membership card.

Discounted Insurance

Adrian Flux & Chris Knott Insurance offer preferential rates for KVWK members.

Agreed Insurance Valuation

We can provide a recognised agreed valuation certificate. This service is available to members of the club for a small fee. Details available on request.

Shows

As a member you may exhibit your car, whatever its condition, on any club stand we organise at the many rallies we attend. Sometimes those who exhibit even get free entry to the event.

Club Events

As a club we also organise other events of our own over the course of the year, including quiz nights, treasure hunts, barbecues, camping weekends and cruises. Other suggestions always welcome!

Free Advice

Many of us have had years of hands-on experience with VWs. So if you have technical problems, come along to club night, there's bound to be someone there who has experienced the same problem – and who's willing to give you advice!
